(Besides avoiding an improper appearance, said parent(s) will get a free lesson, 2 -- or 3 -- for the price of 1.) **(Payment Rule)** Secondly, you can pay **after** each lesson to make sure you're getting what you paid for, but don't be like that one (anonymous) student of mine (who works in Turkey as a construction company supervisor), who keeps getting freebies in English as a 2nd language: I'll **continue** to help him (if I have time, that is), because I'm a Christian, but **PAYING** customers come first, and so if I've tutored you (or your kids), & done a good job, please pay up. *Thank you,* ***~~Gordon Wayne Watts***
