CONSERVATIVE NEWS THAT MATTERS: The Register

(Personal email as a Republican to fellow-Republicans, not in my capacity as news reporter, shown above, but sent from my professional account to verify my identity & for context; see attached screenshots, legal memos, for context.)

Dear GOP lawmakers:

With regard to my suggestion below, I forgot one KEY thing: polling data STRONGLY supports my claims that bankruptcy uniformity legislation (like the bipartisan Durbin/Cornyn/Hawley bill, S.2598) is INDEED supported by the majority of Americans, meaning YOU should support it!

Again, bankruptcy uniformity is *not* a liberal free handout but rather required by the U.S. Constitution's Bankruptcy Uniformity clause (Art.I, Sec.8, cl.4). AND (to the point) a means to curry much-needed bipartisan support from DEMS to elect our speaker, pass our legislation, etc.

Our GOP Republican lawmakers are looking like idiots as we can not elect a Speaker. My proposal is offer Democrats one thing they want (and which is supported by the US CONSTITUTION, something we claim to honour). In return, we can gain more Democrat votes than any few GOP votes for speaker we might lose. Here is a tweet with links to clarify that you are without excuse if you don't try this strategy:

Same request to you; see attached screenshot and Tweet:~

I respectfully ask you to advise our @HouseGOP @GOP candidate for speaker to support student loan bankruptcy [legislation] in return for support on our issues. This is a compromise that DOESN'T compromise Conservative values

One such bill was the bipartisan S.2598, which had more GOP sponsors than Democrat, and a good start:

S.2598 - FRESH START Through Bankruptcy Act
 117th Congress (2021-2022)

^^ This is an example of a solution ^^

Not only is college debt bankruptcy legislation necessary to get bipartisan Democrat support for our Speaker candidate AND our GOP legislation, but bankruptcy self-defense is a Conservative Free Market check on profligate spending by Liberal Dept of Ed AND necessary to avert a crash of the dollar.
