Subject: [gordonwatts.com](https://www.gordonwatts.com)'s impact on LGBTQ-owned small businesses

Hey there,
My name is **Adam** and I am reaching out on behalf of **Finimpact**.

Supporting LGBTQ-owned small businesses is especially important in the current situation. It's time to turn attention to all of the underprivileged groups and to generate a better world at large (!).

I was digging around for information about the current situation and came across your page: <https://www.gordonwatts.com/DOCKET-GayMarriageCase.html>
(Really great information and tips, I didn't even know about some of them).

If you're interested, we just wrote a list of ways/tips to **support and help LGBTQ-owned small businesses**:

Would you consider adding this guide to your page as an additional resource/information? It would be a tremendous help! :)

Either way, keep up the great work and stay safe! ☐

Adam Gintzburg

P.S

If you're not interested and don't want me to bug you again please do let me know as well :)
