HOUSE COPY

I request the following public records:

- 1) The call to service to 821 Alicia Road (Lakeland) by LPD on Sunday, 27 November 2006 in the late evening. It was called in to LPD by PCSO.
- 2) All the calls to service for October 2006 for: 1144 East Memorial Blvd (Lakeland)
- 3) All Police Reports for #2 above (there shouldn't be too many of each -especially for this small one-month period)
- 4A) If there exists a trespass warning authorization on file for 1144 E Memorial, then I request a copy.
- 4B) If there exists no trespass warning authorization, then I request certification of this.
- 5) I have been made aware of the existence of a memo about myself (which becomes my business) to all police officers and from the staff attorney; I request a copy of this.
- 6) The memo, from my understanding, indicates I have done some wrong towards the police department; While I am unclear on the particulars at this juncture, I would like to tell those who may be offended that I have not ever meant to offend any police officer or the department, and if they have a problem about something, they should come to me about it -not simply talk behind my back. If no one come to me about a perceived problem, I am in no position to right any perceived wrongs or correct any alleged mistakes. My stated desire above to have an "open door" policy to all complaints about me should let you know that I am sincere and genuine when I state above that I have never meant to cause any harm to any police personnel.

If you need a few hours or days to compile this list, please let me know what you can't get to today, and I will work with you on it. (Please give me an estimate on "how much" this will cost and "how long.")

Merry Christmas, and a Happy New Year,

Thank you,

GW

Notes: At close to 1:00 P.M.,  
Today, I spoke to  
Mrs. Don Zetta Lloyd in  
LPD records, who said that she  
would start looking for said records  
AFTER she got back  
from Lunch Break.
